OsteoProCare®
Vanilla

Product Name: OsteoProCare®, 32 fl. oz. (960ml)

Item No: 700V (50012)

Characteristics: A liquid mineral supplement formulated to provide an easily absorbed and good tasting source of calcium, along with magnesium, Vitamin D, and other supporting nutrients in proper ratios to calcium.

- We use calcium carbonate in order to achieve delivery of calcium in a form of calcium orotate in the finished product. This ionic calcium orotate form is accomplished by uniquely processing specially selected calcium carbonate with orotic acid. Beside the calcium orotate, additional byproducts of this reaction are water and carbon dioxide (naturally liberated as a gas). This gas effervesces before bottling.

Benefits:

OsteoProCare® promotes and supports:

- Strong bones and teeth and the maintenances of healthy gums
- The maintenance of a regular heartbeat along with the transmission of nerve impulses.
- Joint mobility
- Maintenance of healthy muscles

Calcium:

- Regulates the transport of ions across cellular membranes and is particularly important in nerve transmission.
- Is required for muscle contractions throughout the entire body and therefore the regulation and maintenance of our heartbeat.
- Plays an important role in blood clotting.
- Maintains collagen, which is considered the glue that holds cells together.

Vitamin D:

- An indispensable for the absorption of calcium across the intestinal wall of cell membranes, so it is important that OsteoProCare® contains vitamin D to meet this most important requirement.

Glucosamine:

- A natural occurring amino-sugar that is thought to promote the formation and repair of cartilage. Both Glucosamine and Chondroitin work in synergy to promote joint health.

Color: Color starts with light yellow. Discoloration may occur after opening. This does not alter its effectiveness when recommended storage and shelf life are observed.

Flavor/Taste: Vanilla

Texture: Viscose liquid

Recommended Daily Intake: Drink 2 Tbsp. (30 ml) daily, preferably 1 Tbsp. in the morning and 1 Tbsp. in the evening with food. Note: During initial use, if experiencing intestinal cleansing or a loose stool, reduce consumption by half and slowly increase to recommended amount.

Servings per container: 32

Storage/Shelf life:

- **Unopened** – Shelf stable for 13 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging.
- **Opened** – For the best benefits use within 40 days after opening.

Contains: Glucosamine hydrochloride derived from shellfish.

General: All of Life Force International products are manufactured following cGMPs in compliance with the US Food and Drug Administration's cGMPs Regulations (21 CFR 110).

Guaranteed analyses:

Microbiology	Maximum
E.coli MPN/g	<3 (Negative by test)
CP Staph/g	<10 (Negative by test)
Salmonella/25 g (ELI)	Negative by test
Listeria monocytogenes/25g (ELI)	Negative by test

Keep out of reach of children. Pregnant or lactating women should consult their healthcare professional prior to using any new product. Satisfaction guaranteed.

Supplement Facts

Serving Size 2 Tbsp. (30 ml)
Servings Per Container 32

Amount Per Serving % DV

Calories 14	
Total Carbohydrate 6 g	2%*
Dietary Fiber 4 g	15%*
Vitamin D3 (as cholecalciferol) 200 IU	50%
Calcium (as calcium carbonate/and calcium orotate) 1200 mg	120%
Iron (as iron gluconate) 5 mg	27%
Iodine (as potassium iodide) 150 mcg	100%
Magnesium (as magnesium hydroxide) 600 mg	150%
Zinc (as zinc gluconate) 5 mg	32%
Selenium (as sodium selenite) 200 mcg	286%
Copper (as copper gluconate) 1 mg	50%
Manganese (as manganese gluconate) 5 mg	250%
Chromium (as chromium chloride) 200 mcg	167%
Molybdenum (as sodium molybdate) 200 mcg	267%
Chloride (as potassium chloride) 100 mg	3%
Potassium (as potassium chloride) 100 mg	3%

Boron (as hydrated sodium borate) 50 mcg	†
Vanadium (as vanadium sulfate) 100 mcg	†
Chondroitin sulfate 126 mg	†
Glucosamine hydrochloride 200 mg	†
Stevia (leaf extract) 20 mg	†

* Percent Daily Values (DV) are based on a 2,000 calorie diet.
† Daily Value not established.

Ingredients: Boron (as hydrated sodium borate), Vanadium (as vanadium sulfate), Chondroitin sulfate, Glucosamine hydrochloride, Stevia (leaf extract).

Other Ingredients: Purified Water, Glycerin (Vegetable Source), Cellulose, less than 0.2% of Potassium Sorbate and Potassium Benzoate (to preserve freshness), Montmorillonite, Vanilla Flavor.
